

# Skilled Concrete Laborer

## PURPOSE

We are seeking a Skilled Concrete Laborer to join our team to perform concrete related tasks involving physical labor.

## RESPONSIBILITIES AND DUTIES

- Perform physical activities that require considerable use of your arms and legs, moving your whole body such as climbing, lifting, walking, stooping, and handling of materials.
- Responsible for making sure that service vehicles, equipment, trailers, and tools are in safe and proper working condition.

Basic concrete work:

- Hand digging, placing and screeding fill, placing concrete and smooth/finish using floats, trowels, screeds or powdered cement finishing tools.
- Operate jackhammers and drills to break up concrete or pavement.
- Position, join, align, and seal structural components, such as concrete wall sections and pipes.
- Assist in framing of both wood and metal framed buildings.
- Handle and install steel sidewall and roof panels and basic sheet metal trim and accessories.
- Tend pumps, compressors, and generators to provide power for tools, machinery, and equipment.
- Assist in maintaining tools and equipment such as lubricate, cleaning and repairs.
- Perform other duties assigned by Foreman, Project or Division Managers.
- Retain instructions from Construction Foreman, Project and Division Managers.
- Read and understand warning signs and labels on construction site equipment.
- Efficient working as a team and independently.
- Understand and follow all company safety rules and regulations.
- Site cleanliness, picking up and storing tools, equipment, and building materials.
- Conduct all your work and actions with integrity.
- Must possess basic problem-solving skills and have a positive attitude.
- Take the initiative to learn new constructions skills.
- Build strong leadership qualities on the job sites.
- Must attend all Safety Meetings and complete all required Safety Training in a timely manner.

## NORMAL DAILY WORK SCHEDULE

- Monday through Thursday
- 6:00AM – 4:00PM

**ABILITY TO COMMUTE / RELOCATE:**

- Plainview, MN: Reliably commute or planning to relocate before starting work (Required)

**SUBSTANCE ABUSE TESTING**

Due to the safety and/or security sensitive nature of this classification, individuals shall be subject to pre-employment or pre-placement alcohol, drug and/or controlled substance testing as outlined in the handbook. Certain positions within this class are subject to DOT Federal Motor Carrier Safety Administration (FMCSA) drug and alcohol testing as outlined in 49 Code of Federal Regulations (CFR) Part 382 (by assignment).

This job description is not limited to the above content. Duties and Responsibilities may change at the discretion of Management.

Pay is based on experience.
